

Please Take Your Seat

artsPlace

Located in downtown Canmore, artsPlace will be a welcoming and inspiring hub for both artists and the community. The new community arts centre will offer space for artists and the general public to create art; to learn and to advance their artistic skills, to connect with other artists, arts enthusiasts, and arts organizations; and to showcase or enjoy performances and exhibitions. Activities will appeal to a broad spectrum of ages, backgrounds, and abilities, and will encourage increased engagement in the arts.

“Seat Sale”

The success of artsPlace will depend on the support of individuals, families, and businesses like you. You have the opportunity to assist by symbolically purchasing a “seat” in the Performing Arts Studio. This black box studio space with retractable seating for 105 will be used for theatre and music performances, film presentations, literary readings and lectures, acting and movement classes, and rehearsals.

Funds raised from the “seat sale” will be invested into the programming and activities offered by artsPlace.

Second row seats	\$899

Recognition

In recognition of your donation, your name or business (or the name of a loved one) will be imprinted on a plaque and affixed to a seat in the theatre according to the amount of the donation. You will also receive a tax receipt for the amount of the donation, a listing in the annual report and cultural directory prepared by artsPlace, as well as invitations to special events organized by artsPlace.

As a seat donor, your seat plaque is a highly visible memento of your commitment to the success of the arts and artsPlace.

Availability is limited to 105 seats! Don't miss your chance to be a part of this founding endeavour!

To make your donation, please fill out the form on the back of this information sheet.

Every Gift Is Appreciated

Every donation supporting the arts and artists in the Bow Valley is greatly appreciated. Gifts of any amount are welcome.

In addition to the “Seat Sale”, other donor opportunities are available, including naming opportunities for the building and the studio spaces, support of specific programs, and sponsorship of special events such as artsPeak and the Vic Lewis international Band Festival.

artsPlace is governed by The Canadian Mountain Arts Foundation, a volunteer-run registered non-profit society. The foundation can issue tax receipts for donations. Unless restricted by the donor, gifts will be allocated in accordance with the Board's Strategic Plan.

Donations of furniture, equipment, and supplies are also accepted, and are awarded charitable income tax receipts once Fair Market Value (FMV) has been established in accordance with Canada Revenue Agency (CRA) guidelines.

Non-cash donations, such as services (e.g., accounting), printing, advertising, and design are welcome, but according to CRA rules do not qualify for charitable tax receipts.
